## 19   **5. PDMP Update**

20 Chair Wein invited Lisa Sherrell, Program Coordinator for the Prescription Drug Monitoring Program to  
21 address the Board. The PDMP platform has changed its name from APRISS to “Bamboo Health.” New  
22 upgrades include: 1) Enhancements to the way trouble-shooting tickets are receive and processed. The  
23 trouble-shooting features are available from the PDMP website. 2) Enhancements to the Prescriber  
24 Report Card - Prescribers can review their Review Compliance and Prescribing History – the data for the  
25 last quarter is interactive. The feedback from Alaska users has been very positive about these changes.  
26 3) License integration will be launched December 9, 2021. This will hopefully streamline work for licensing  
27 staff. Once license integration is in place the communication module will be able to go live. This will allow  
28 providers to communicate with each other within the PDMP. Ms. Sherrell plans to continue to do  
29 outreach to providers to help them be able to understand the platform and utilize all of the tools that it  
30 offers.  
31

32 Dr. Parker requested that the platform be modified to prolong the time-out process. He advised that he  
33 has to re-log into the program 8 or 9 times per day. Ms. Sherrell agreed to look into whether the setting  
34 for the time-out process can be adjusted.  
35

36 Dr. Parker also inquired about the practitioner review compliance rate and whether individuals who are  
37 non-compliant are being referred to the Board. Ms. Sherrell reported the metrics for identifying non-  
38 compliance must consider many factors. Based on existing methods, review compliance is at about 50%  
39 for medical providers. PDMP staff are working on ways to better sort the data and working with the  
40 Investigations Unit to develop a plan for how to target non-compliance.  
41

42 Dr. Wein recommended a “push system” email notification process for non-compliant users, citing the  
43 unabated opioid overdose epidemic as grounds for continued diligence in monitoring user compliance.  
44 Dr. Wein asked for the Board to be provided with data related to the rates of opioid and dangerous  
45 combination prescriptions. Ms. Sherrell advised that utilizing the clinical alert system currently available  
46 through the platform would be a good start to developing a notification system for providers with patients  
47 who meet the criteria of having five or more prescribers or pharmacies within the last three months  
48 and/or who have been prescribed a dangerous combination of drugs. Ms. Sherrell is willing to work with

1 the Board on developing some messaging for this purpose, however a full push system is not feasible at  
2 this time.

3  
4 Chair Wein thanked Ms. Sherrell for her presentation.  
5  
6

## 7 **6. Full Board Review**

8 Chair Wein recommended that the Board enter into executive session in order to discuss the applicants  
9 identified for a full Board review.  
10

11 **On a motion duly made by Ms. Mielke, seconded by Ms. Bigelow Hood and approved by roll**  
12 **call vote, the Board entered into executive session in accordance with AS 44.62.310 (c) and**  
13 **Alaska Constitution Right to Privacy Provision, to discuss the license application files for Jon**  
14 **Perry, P.A. and Adrian Rawlinson, M.D., with Board staff, Natalie Norberg remaining in the**  
15 **session.**  
16

17 Roll Call: Yeas, Ms. Bigelow Hood, Dr. Freeman, Ms. Mielke, Dr. Parker, Dr. Wein  
18 Absent for Vote: Dr. Heilala and Dr. Olamikan  
19

20 The Board entered executive session at 9:06 a.m. The Board was back on the record at 9:35 a.m.  
21

22 **On a motion duly made by Ms. Mielke, seconded by Ms. Bigelow Hood and voted on through**  
23 **roll call vote, the Board failed to approve Jon Perry with a physician assistant license.**  
24

25 Roll Call: Nays, Ms. Bigelow Hood, Dr. Freeman, Ms. Mielke, Dr. Parker, Dr. Wein  
26 Absent for Vote: Dr. Heilala and Dr. Olamikan  
27

28 The Board cited in its decision that the applicant admitted that he had inappropriate relationships with  
29 multiple female patients in the state of New Mexico that involved inappropriate intimate contact both in  
30 and out of office situations. This constitutes unprofessional conduct and is grounds for denial of a  
31 license in accordance to AS 08.64.240 (b) The Board may refuse to grant a license to any applicant for  
32 the same reasons that it may impose disciplinary sanctions under AS 08.64.326. It was further cited that  
33 the patients involved were very vulnerable and that Mr. Perry voluntarily agreed to the temporary  
34 suspension of his license in the State of New Mexico.  
35

36 **On a motion duly made by Ms. Mielke, seconded by Dr. Parker and approved through roll call**  
37 **vote, the Board approved request for the Executive Administrator to work with Dr. Rawlinson**  
38 **to review his options for withdrawing his application for licensure without sanction.**  
39

40 Roll Call: Yeas, Ms. Bigelow Hood, Dr. Freeman, Ms. Mielke, Dr. Parker, Dr. Wein  
41 Absent for Vote: Dr. Heilala and Dr. Olamikan  
42

43 The Board cited in its decision that it did not find Dr. Rawlinson lacking in personal competency, rather  
44 he does not meet the criteria for licensure in Alaska in accordance to AS 08.64.200 (2) (A).  
45  
46  
47

1  
2  
3 **7. Physician Health Committee (PHC) Update & Request for Changes to Professional Fitness Questions**  
4 **– Maryann Foland, M.D.**  
5

6 Dr. Wein invited Dr. Foland to address the Board. Dr. Foland referenced a September 2021 letter sent to  
7 the Board from the President of the Alaska Medical Association regarding some additional requested  
8 changes to the professional fitness questions asked of physicians during the license application process.  
9 Although the Board did make changes in the last year to the fitness questions, Alaska's fitness questions  
10 still do not meet the guidelines set forth by the Federation of State Medical Boards or the Federation of  
11 State Physician Health Programs. The AMA is advocating for some slight edits to the wording of some  
12 questions, and that the professional fitness questions related to personal health be separated from the  
13 rest of the license application and kept confidential. The PHC asserts that physicians would be more  
14 likely to seek help from the PHC if they felt assured that such disclosures would not be made public. An  
15 additional recommendation includes discontinuing the requirement that physicians obtain a fit to  
16 practice letter from their primary care physician if they are working with PHC.  
17

18 The goal of the Physician Health Committee is to ensure that physicians can practice safely, their motto  
19 is "practice repaired not impaired." The committee is currently monitoring a caseload of 15-20 people,  
20 most participants are doing well, and some have graduated after five years of monitoring. Chair Wein  
21 thanked Dr. Foland for her presentation and reminded the Board that Dr. Foland will continue to be  
22 invited to quarterly Board meetings.  
23

24 **8. Investigations Unit Update**

25 Chair Wein recommended that the Board enter into executive session in order to discuss licensees  
26 identified for Board action.  
27

28 **On a motion duly made by Ms. Mielke, seconded by Ms. Bigelow Hood and approved by roll**  
29 **call vote, the Board entered into executive session in accordance with AS 44.62.310 (c) &**  
30 **Alaska Constitutional Right to Privacy Provisions for the purpose of discussing the proposed**  
31 **order for a surrender of license for Dr. Seo Yang with staff members Billy Homestead, Sonia**  
32 **Lipker, and Natalie Norberg remaining during the session.**  
33

34 Roll Call: Yeas, Ms. Bigelow Hood, Dr. Freeman, Ms. Mielke, Dr. Parker, Dr. Wein  
35 Absent for Vote: Dr. Heilala and Dr. Olamikan  
36

37 The Board entered executive session at 9:55 a.m. The Board was back on the record at 10:14 a.m.  
38

39 **On a motion duly made by Ms. Mielke, seconded by Ms. Bigelow Hood and approved by roll**  
40 **call vote, the Board agreed to accept the proposed order for a voluntary surrender of license**  
41 **for Dr. Seo Yang.**  
42

43 Roll Call: Yeas, Ms. Bigelow Hood, Dr. Freeman, Ms. Mielke, Dr. Parker, Dr. Wein  
44 Absent for Vote: Dr. Heilala and Dr. Olamikan  
45

46 The Board cited in its decision an incident involving Dr. Yang and a police shooting (Dr. Yang was shot by  
47 police) after reportedly attempting to attack law enforcement officers and a bystander with an ATV.

1 This matter was first adjudicated in the State of California. Dr. Yang has submitted to a voluntary  
2 suspension of his Alaska license.

3  
4 The Board recessed for a break at 10:17 a.m. The Board was back on the record at 10:22 a.m.

5  
6 **On a motion duly made by Ms. Mielke, seconded by Ms. Bigelow Hood and approved by roll**  
7 **call vote, the Board agreed to enter into a deliberative session under AS 44.62.310(d) solely to**  
8 **make a decision in the following adjudicatory proceeding:**

9  
10 **In the Matter of Charles Olin Canfield**  
11 **Board Case Number 2021-000281**  
12 **Office of Administrative Hearings Case Number 21-0526-MED**

13  
14 **The parties, their attorneys, all members of the Board's staff, and all members of the public**  
15 **were excluded from the deliberative session. The administrative law judge was invited to**  
16 **remain with the Board during the deliberative session.**

17  
18 Roll Call: Yeas, Ms. Bigelow Hood, Dr. Freeman, Ms. Mielke, Dr. Parker, Dr. Wein  
19 Absent for Vote: Dr. Heilala and Dr. Olamikan

20  
21 The Board entered a deliberative session at 10:27 a.m. The Board was back on the record at 11:11 a.m.

22  
23 **On a motion duly made by Ms. Mielke, seconded by Ms. Bigelow Hood and approved by roll**  
24 **call vote pursuant, to AS 44.64.060 (E) (2) the Alaska State Medical Board accepted the Division's**  
25 **Proposal for Action for a remand *In the Matter of Charles Olin Canfield*, Board Case Number 2021-**  
26 **000281, Office of Administrative Hearing's Case Number 21-0526-MED, back to the Administrative**  
27 **Law judge to take additional evidence for the purpose of making possible additional finding or**  
28 **recommendations.**

29  
30 Roll Call: Yeas, Ms. Bigelow Hood, Dr. Freeman, Ms. Mielke, Dr. Parker, Dr. Wein  
31 Absent for Vote: Dr. Heilala and Dr. Olamikan

32  
33 **On a motion duly made by Ms. Mielke, seconded by Ms. Bigelow Hood and approved by roll**  
34 **call vote, the Board entered into executive session in accordance with AS 44.62.310 (c) &**  
35 **Alaska Constitutional Right to Privacy Provisions for the purpose of discussing the request**  
36 **from Dr. Christopher Jensen for a probation modification with Board staff to remain in the**  
37 **session.**

38  
39 Roll Call: Yeas, Ms. Bigelow Hood, Dr. Freeman, Ms. Mielke, Dr. Parker, Dr. Wein  
40 Absent for Vote: Dr. Heilala and Dr. Olamikan

41  
42 The Board entered a deliberative session at 11:17 a.m. The Board was back on the record at 11: 27 a.m.

43  
44 **On a motion duly made by Ms. Mielke, seconded by Ms. Bigelow Hood and denied by a roll**  
45 **call vote, the Board rejected the request from Dr. Christopher Jensen for a probation**  
46 **modification.**

Roll Call: Nays, Ms. Bigelow Hood, Dr. Freeman, Ms. Mielke, Dr. Parker, Dr. Wein  
Absent for Vote: Dr. Heilala and Dr. Olamikan

The Board cited in its decision concerns that Dr. Jenson has violated conditions of his probation and that he should fulfill the entire period of probation imposed rather than be approved for a shorter period.

**10. Lunch Break** – the Board recessed for lunch at 11:51 a.m. and reconvened at 12:25 p.m.

### **11. Public Comment**

Chair Wein explained the process for providing public testimony and invited members of the public to address the Board. The first 25 individuals who pre-registered before the deadline of November 16, 2021 at 4:30 p.m. were each given priority to speak for a period of 2 minutes. The following individuals provided testimony. Seventeen of the speakers spoke in favor of the Board endorsing practitioners who support and prescribe alternative therapeutics for patients with COVID-19 and eight of the speakers urged the Board to take an official stance to prohibit such practices. Approximately 600 written comments were received by the deadline and forwarded to the Board prior to November 19, 2021. Any written comments received after the November 16 deadline will be forwarded to the Board after the meeting.

## 12. Division Update

Chair Wein invited Sara Chambers, Director, Division of Corporate, Business and Professional Licensing to address the Board. Director Chambers provided a brief overview of the role of CBPL investigators and process for filing a complaint against a medical provider. Interested individuals were directed to the Medical Board's website for more information. Next, an overview and update of the Board's budget was provided. In Fiscal Year 2021, due to it being a license renewal year, the Board grossed approximately \$2.6 million in revenue. FY22 is a non-renewal year and revenue is expected to be much smaller. In FY21 the Board saw an 14% increase in license activity, which was likely due to COVID and an influx of medical personnel entering the state. Board staff processed approximately one thousand more applications than in previous years while experiencing a staff shortage. Division-wide there is a 30% staff vacancy rate. Overall, Non-Investigative direct expenses, primarily related to personal services has increased while the Investigative direct expenses are slightly down. Interagency legal expenses went up during FY21, most likely due to the additional consultations needed for all of the new emergency regulation work to address COVID. Indirect expenses also increased during FY21, and an overview of those expenses was provided. The total expenditures for the Board in FY21 was approximately \$1.5 million. The Board started FY22 with a surplus of \$641,000. The Division will be conducting a licensing fee analysis this year to determine whether a fee increase is recommended.

**13. Break** - The Board recessed for a break at 2:13 p.m. and reconvened at 2:31 p.m.

46 **15. Chair Updates/Closing Business**

- **Physician Assistant Work Group** – As approved during the last quarterly Board meeting, the Medical Board has started a Physician Assistant Work Group with Board members Dr. Wein and Sarah Bigelow Hood representing the Board. The purpose of the work group is to discuss and review proposed edits to the licensing regulations for Physician Assistants submitted by the Alaska Association of Physician Assistants. A primary focus of the proposed edits pertains to changes to the collaborative practice agreements. Board members were encouraged to read the proposed edits and participate in upcoming work group meetings. Members of the public are also invited to participate in this open work group. Final edits will be presented to the Board for consideration at a future Board meeting.
- **Telehealth work** – Chair Wein and Ms. Norberg have been meeting regularly to examine the implications of the expanded practice of telehealth in Alaska with the goal to identify strategies to streamline the application process for telehealth providers while ensuring the public is protected. Some key considerations include the need to be able to track the scope of practice, employer, record retention and emergency referral policies. The goal of this work is to provide the Board with a white paper at a future meeting with recommendations for possible regulation and policy changes.
- **MICP Transfer** – Plans are underway for the transfer of the Mobile Intensive Care Paramedic licensing program to DHSS in January 2022.
- **Military Courtesy License** – The draft regulation language approved by the Board during the special October 28, 2021 to address the new Military courtesy license requirements is being reviewed by the Department of Law and will be out for public comment in the near future.
- **Approved – Emergency Regulations Made Permanent** –Emergency Regulations approved earlier this year were made permanent related to 1) the prescription of buprenorphine via telemedicine during emergency situations; 2) changes to the requirements for monthly direct contact between physician assistants and their collaborating physician only during the periods the PA is actively practicing under the collaborative plan; and 3) redundant language removed related to the review of pharmacy cooperative plans.
- **Special Meeting Dates** – Chair Wein advised that the Board will need to identify some additional dates for meetings to address certain items that cannot wait until the next quarterly meeting. The next special meeting will be related to addressing COVID-19 treatment issues. Ms. Norberg will send a poll to Board members to identify a date workable for all. The next quarterly board meeting is tentatively scheduled for February 17-18, 2021. This meeting may be reduced to a one-day meeting schedule if so agreed upon by Board members.

## 16. Adjournment

The Chair expressed his appreciation to the Board and to the members of the public for their participation in the meeting.

The meeting was adjourned at 4:13 p.m.
